

JULY

So far this month, we have taught dancing in the middle of a road! at the Cavendish Road street party, introduced a WI group to the joys of our great hobby, and have been booked to do an afternoon for a company in Bicester as a team building event!!

We also did our fourth year demoing at the Evesham River Festival. This really is a great day out for all. We the Sideliners, did two slots this year. The first starting at 5.30 and going on for 3/4 of an hour with fifteen dances. Why we always end up doing all fast ones is beyond me.(but I'm told that's my fault!!) But it looks good, and this year all our dancers surpassed themselves. All dressed neatly in black with hardly a foot wrong during the whole demo. The crowd (and what a huge crowd it was!!!!) clapped and cheered and we had many a good comment after.

Our second demo had to be seen to be believed!!! after the success of "The sumo dance" some bright spark suggested we do it again at the Festival but with TEN of us!!!The rehearsals were hysterical with all of us falling about with laughter! We entered to the sound of The Mission Impossible music moved on to a dance done to Kung Fu Fighting, waddled our way through Texas Stomp (done to Hot Stuff) with much thrusting and Colin making us all howl with his antics, especially when his fan fell of halfway through, and he started to deflate rather rapidly!!! thanks to Sue for putting him back together. We finished off to the strains of The Baby Elephant Walk and much clapping and laughing.

Hopefully we will be invited again next year and perhaps we can come up with something special again, there has already been a couple of suggestions!!

The lighted boat parade in the evening was once again a lovely sight, and the fireworks were brilliant. Seemed to be hundreds of people there this year, perhaps making the most of the lovely weather we were lucky enough to have all day.A huge thank you to all The Sideliners who took part in the demos, you were brill' as usual!

We have a brand new Logo out designed by Jo, and T shirts, Polo shirts, and a zipped hoodie, are now available to order, just let us know what size etc if you would like one or two!

The Club BBQ is upon us again friday the 20th, I will let the music run so you can dance, eat, or chat all the night long, Can't wait. Our two cooks will be busy outside (Jo & Sue) so make sure you pop out to see them!!
